FOR IMMEDIATE RELEASE

Parachute Battlement Mesa Park & Recreation District Embarks on First-Ever Master Plan

Parachute, CO – [Sept. 5, 2024] – The Parachute Battlement Mesa Park & Recreation District is excited to announce the launch of its first-ever Master Plan. This comprehensive evaluation will encompass all district properties, both developed and undeveloped, to ensure that our facilities, programs, and services are aligned with the needs and preferences of our community.

The Master Plan aims to assess the condition of our infrastructure, evaluate current programs and services, and gather feedback from our members. By understanding the likes and dislikes of our community, we aim to make informed decisions that will benefit our citizens now and in the future. Since its formation in 1983, the district has seen significant growth and numerous changes. This Master Plan will serve as a vital roadmap for current and future boards and district staff, guiding our efforts to meet the evolving needs of our citizens and ensuring we are well-prepared for the future.

"We are committed to providing exceptional recreational opportunities and services to our community," said Adam L Ford, Board President. "This Master Plan will allow us to take a comprehensive look at our assets and operations, ensuring we continue to meet and exceed the expectations of our citizens."

We encourage all community members to participate in this important process. Your input is invaluable as we strive to create a vibrant and sustainable future for the Parachute Battlement Mesa Park & Recreation District.
